

Please note that this issue of *Babergh Matters!* can be made available on audio tape, Braille or large print upon request. Please telephone (01473) 826622. Your copy of *Babergh Matters!* is wrapped in a bag which is made from a vegetable starch that naturally bio-degrades when home composted. Therefore, please do not put it in your blue recycling bin. However, *Babergh Matters!* itself - which is made from 100% recovered fibre - can be placed in your blue bin after you've finished with it! The cost of this bag has been part funded by Viridor Waste Management.
