BOYS IN BABERGH

DanceEast's 'boys only' dance education project comes to Ipswich for the first time this spring, encouraging boys aged 7-18 years across the Babergh district to get involved in dance.

No dance experience required, just lots of energy, enthusiasm and commitment.

If you are aged 10 years and over and from the Babergh district and you would like to get involved in Boys In Babergh, come and join in the **FREE** half-term project in February, (Monday 15 – Thursday 18 February).

For more information please contact Victoria Oldham on **01473 295247** or email **victoria.oldham@danceeast.co.uk**.

Please note all participants must be available to attend rehearsals on Friday 5 March and the performances on Saturday 6 March 2010.
