Dave,

I can confirm that is correct.

Regards,

Richard Carter  
Senior Development Management Engineer

Richard

Further to our earlier discussion I understand you are satisfied with the content of my Scoping for the ES Chapter and Transport Assessment. In relation to the latter we have agreed that I should progress to the production of a draft TA to submit to you for your consideration.

Perhaps by reply to this email you could confirm my understanding is correct.

Many thanks,  
Dave.

Dave Freestone
