BABERGH COMMUNITY GROUPS URGED "NOT TO DELAY – EVEN FOR A DAY" THEIR GRANT APPLICATIONS!

With only a couple of weeks left until the deadline, Babergh District Council is urging local community groups organising Fun Days in 2003 to apply now for grants worth up to £500.

In 2002 Babergh distributed funds to numerous local organisations, including the Layham Jubilee Committee, the Harkstead Village Hall Management Committee, Kersey Parish Council and Leavenheath Jubilee Committee.

Applications are welcome from Parish and Town councils, charities, local voluntary groups and community councils. Projects can include professional entertainment and workshops for fun days covering such activities as dance, circus, crafts, music and textiles.

"I would urge Towns and Parish Councils to get their applications for grants into Babergh as quickly as possible. Please don't delay – even for a day!" explained Sue Slinn, Senior Administrator.

The closing date for all applications is the 1st of March
