PUBLIC SPEAKING ON PLANNING APPLICATIONS AT MEETINGS OF THE DEVELOPMENT COMMITTEE

1. The Council has a policy of allowing members of the public to speak on planning applications when they are discussed at meetings of the Development Committee.
2. Prior to the consideration of each application on the planning schedule the Chairman will ask whether anyone in the public gallery who is eligible to speak wishes to address the Committee.
3. If there are, the Chairman will ask the public concerned to indicate whether they are a representative from the Town or Parish Council, an objector or either the applicant or his/her representative. If there is more than one objector present, the Chairman will ask whether they have nominated a spokesperson to speak on their behalf. If they haven't they will be asked to leave the meeting to determine a spokesperson and the Chairman will move to the next item in the meantime. The objectors will be reminded that if they are unable to agree a spokesperson then they will not be able to make any representations.
4. The following procedure and order of business applies in respect of each item:-

Introduction of item by Planning Officer.

Representations by Town or Parish Council representative (or Parish Meeting where there is no Parish Council).

Representations by objector.

Representations by applicant or representative.

Clarification of any points by the Planning Officer and consideration of application by Members.

Decision by Members.

5. Prior to making any representations, speakers will come forward, one at a time at the invitation of the Chairman, and sit on one of the raised seats facing the main chamber and state their name and who they represent. Speeches cannot exceed 3 minutes and speakers will be asked to stop immediately if they exceed this period of time. Speakers will then return to the public gallery.
6. Speakers can only make statements of opinion or fact. They are not allowed to ask questions of Members or Officers and equally Members or Officers are not allowed to ask questions of them. Furthermore, speakers cannot ask questions to other speakers. Speakers can only rely on verbal statements and no presentational material can be displayed either on the notice boards or on the overhead projector. No information or materials can be handed around the Committee by the speakers whilst the meeting is in progress.
7. Babergh Councillors are not entitled to speak with regard to an application or other matter under this policy. However, a representative of the Councillor may speak on their behalf provided they are not a Councillor.
